

Eurodiaconia Strategic Plan 2014 - 2016

Adopted at the 2013 Annual General Meeting

EURODIACONIA STRATEGIC PLAN 2014 – 2016

Our Mission

Eurodiaconia represents a dynamic, Europe wide community of organizations founded in the Christian faith and working in the tradition of Diaconia, who are committed to a Europe of solidarity, equality and justice.

Our Vision

As the leading network for diaconal work in Europe, we look to develop dialogue and partnership between members and influence and engage with the wider society. We do this to enable inclusion, care and empowerment of the most vulnerable and excluded and ensure dignity for all.

GOAL 1 - CHANGE THROUGH PRAXIS

Goals

What do we need to make this happen?

Global objectives

Outcomes

What should have happened?

The key directions of our work

The key ancouons of our work

Develop and enable membership engagement and partnerships, both internally and externally, that develop praxis and extend resources

The principles and success factors that will guide our efforts

Clear identification and agreements with partners at international level along with creative and timely implementation

Improved knowledge of members work so as to facilitate partnerships

Knowledge of and access to funding resources to support partnerships and best practice exchange

Effective communication tools and systems

Awareness of Eurodiaconia and its members as experienced and knowledgeable actors

Willingness to identify expertise from within and out with our membership

Project management resources to develop opportunities

The key actions we are committed to taking to achieve the planned outcomes

- Diversify and enlarge the financial resources of the organization
- Build platforms for exchange on specific subjects
- Develop information and communications systems that encourage partnership and exchange
- Facilitate partnerships between members
- Develop projects to engage members in the development of praxis
- Provide members with support and information on funding opportunities
- Identify potential new members for the network
- Continue partnerships with ecumenical bodies and social NGO's

✓ Greater participation by members in the network through more opportunities to meet, exchange and develop

common projects

- Increased resources that enable more participation by members and long term security for the organization
- Members have more expertise and confidence in sourcing funding and work together in doing so
- Better use of Information Technology to provide information on members work and provide information on Eurodiaconia actions
- Increased membership of the network through recruiting new members and retaining current members
- Positive relationships with ecumenical and social partners that have clear aims and outcomes
- ✓ Support change in the context of members service delivery
- Increased multiplication of best practice

GOAL 2 – CHANGE THROUGH ADVOCACY

Goals

What do we need to make this happen?

Global objectives

Outcomes

The key directions and goals of our work

Create a network of competence to impact relevant social policies at national and European level

The principles and success factors that will guide our efforts

Good relationships with key decision makers and they have a willingness to engage with us

Clear prioritization of policy issues based on members' needs and interests

Adoption of a proactive and reactive approach to policy Improved knowledge of members work so as to facilitate evidence based advocacy.

Awareness of Eurodiaconia and its members as experienced and knowledgeable actors

Links between European level policy making and national level policy making are analyzed and communicated

Timely information tools and advocacy plans developed in conjunction with members

Members are ready to engage in the policy development process We are able to effectively evaluate the impact of our policy work at European and national level The key actions we are committed to taking to achieve the planned outcomes

- Ensure clear policy development process that enables ownership by members
- Yearly analysis of policy topics and prioritization based on members interests and external opportunities
- Integration of policy development and best practice exchange where possible through topic platforms
- Enable more members to participate in European level events
- Provide advocacy and policy training and information tools for members
- Support members in accessing decision makers at European level

What should have happened?

- ✓ Policy development is seen as a partnership between the secretariat and members
- Establishment of subject specific platforms, open to all members that meet regularly and use IT tools effectively between meetings
- Clear policy positions adopted that set clear road map for advocacy work at European level
- ✓ Seminars and trainings held on relevant topics to increase member knowledge capacity and gather data and material for advocacy work
- ✓ Members have access to European decisions makers and participation in presidency conferences
- Better co-ordination with members in EU presidency holding countries

GOAL 3 – CHANGE THROUGH IDENTITY AND VALUES

Goals

What do we need to make this happen?

Global objectives

Outcomes

The key directions and goals of our work

Support the development of approaches and thinking on Diaconia in Europe today

The principles and success factors that will guide our efforts

Identification of key challenges facing diaconal actors today

Willingness to identify common characteristics despite member diversity

Reflections based on praxis and context

Discussion engages ecumenical partners and other Christian agencies

Knowledge and identification of ecumenical resources outside our normal networks

Increased capacity for research connecting theology, identity and praxis

Engagement with global partners to identify challenges to our global context and how this influences diaconia in Europe The key actions we are committed to taking to achieve the planned outcomes

- Development of regional and European fora on Diaconia and Context to reflect on identity and characteristics
- Work with partners both academic and practical to develop and contribute to materials and research on diaconal identity and innovation in diaconia.
- Provide opportunities for reflection and discussion on Diaconia and Civil Society
- Develop capacity to support the training needs of staff in Diaconia and the new forms of working diaconally
- Continue to support and promote the role of volunteering in Diaconia
- Development of methods to capture examples of innovation in Diaconia
- Increased global engagement and practical partnership

What should have happened?

- Increased level of activity through strengthened identity
- Permanent re-thinking of identity and context for increased impact
- Development of innovation in Diaconia
- Development of and support to research projects and organizations
- Contributions made to journals and other such material on Diaconia
- Establishment of network of theologians and practitioners to look at Diaconal identity and characteristics and produce additional materials as identified
- ✓ Effective partnership
 with other
 organizations focusing
 on new forms of
 working diaconaly
- ✓ Networks are supporting people issues in Diaconia
- Diaconia in Europe is enriched by global reflections and partnership
