**This is a text in easy to read explaining who we are and what our work is about.**

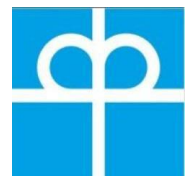

**Enjoy reading!**

## Who we are

Unfortunately, there are many people left out from our society. For example there are people who do not have work or they do not have enough money to have a house. Some children may not be able to go to school or be with their family. Other people may be treated unfairly because they have a disability.

Eurodiaconia is an organisation that tries to help people in need to be included in society and have equal chances like everyone else. Next to this text you can see our logo. This is the symbol we use when we talk about Eurodiaconia.

Eurodiaconia has around 47 members from many countries in Europe. These are also organisations that try to make things better for people in need. We are all Christians. That means that we believe in Jesus Christ. We believe that Jesus Christ is the son of God. We try to follow his words and be close to people in need.

## Our work

At Eurodiaconia we think that no one should be left out from society. We often meet people who take decisions in Europe and we ask them to do more for people who are left out. We ask them to help these people to have better chances in life.

To do our work well it is important to meet with our members often. This way we learn from each other. Each year we have a big meeting with all our members. We talk about what is important to do next year.
