SUPPORTING INCLUSION AND SELF ORGANIZATION OF ROMA COMMUNITY

Makkai Péter
director, roma mission reverend

Introduction

- The Roma Mission of the Reformed Church District in Transylvania is committed to serving communities pushed to the margins of society. Our goal is to provide spiritual, social, and educational support—especially for Roma families, children, and youth.
- In the territory of the Transylvanian Reformed Church are approximately, 120.000 Hungarian-speaking Roma people. 60% of them are living in segregated Roma settlements.
- At the heart of our work is the proclamation of the Gospel, community building, supporting children's development, and strengthening the hope for a better future.
