

FUNDING NETWORK MEETING 2025

24 September, Brussels, Belgium

AGENDA & PRACTICAL INFO

INVITATION | 2025 FUNDING NETWORK MEETING

Dear members,

Warmest greetings!

We are delighted to invite you to Eurodiaconia's 2025 Funding Network Meeting.

This year is a crucial year for funding social services in Europe. The European Commission will release its proposal for the next EU long-term budget (Multiannual Financial Framework or MFF), part of which are programmes that are important for diaconia (both at the European and national levels in the case of shared management funds). We are also at a time of great political shifts and uncertainty, with substantial challenges in public funding for social services and inclusion.

This network meeting will bring together members interested in funding, projects, and grants for social inclusion to explore collaboration and to exchange good practices in successful grant applications and lessons learnt in applying for funding in the field of education, training, youth, sport, culture and volunteering. We will also learn about EU work programmes and funding opportunities in these fields. Finally, we will preliminarily discuss the implications of the next MFF on funding for social inclusion projects and services.

The funding network meeting is being organised back-to-back with the joint Eurodiaconia-Caritas Europa event Shaping the future of social and health care services in Europe within the context of the next EU long-term budget at the European Parliament on 23 September. We hope that you will attend this event as well.

Thank you very much and we hope to see you in Brussels.

Best regards,

Glenis
