

MEMBERS MAPPING

EURODIACONIA MEMBERS & MENTAL HEALTH INCLUSION SERVICES

Many Eurodiaconia members are active in the provision of services that promote better mental health standards, support people with mental health issues and help break the vicious circle established between mental health illnesses and social exclusion. Our members' work also challenges the negatives stereotypes which are still associated to mental health in Europe today. The below list provides an overview of this kind of work.

- **Diakonie Düsseldorf**
[Family Programme](#)
- **Haraldsplass Diakonale Stiftelse**
[Haraldsplass Counselling Centre](#)
- **Oulun Diakonissalaitoksen Saatio**
