Erasmus+ National Agencies and National Offices

The EU works with [National Agencies](#) to bring the Erasmus+ programme as close as possible to the participants. The National Agencies are based in [EU Member States and third countries associated to the Programme](#) (previously called Programme Countries) and their role involves:

- providing information on Erasmus+
- selecting projects to be funded
- monitoring and evaluating Erasmus+
- supporting applicants and participants
- working with other National Agencies and the EU
- promoting Erasmus+
- sharing success stories and best practices

[The national Erasmus+ offices](#) help the European Commission and national authorities implement Erasmus+ in certain third countries not associated to the Programme (previously called Partner Countries). These countries are located in the Western Balkans, the Eastern and Southern Neighbourhoods and Central Asia.

NEO responsibilities include

- providing information on Erasmus+
- assisting applicants and participants
- supporting policy dialogue
- maintaining contact with local authorities and EU Delegations
